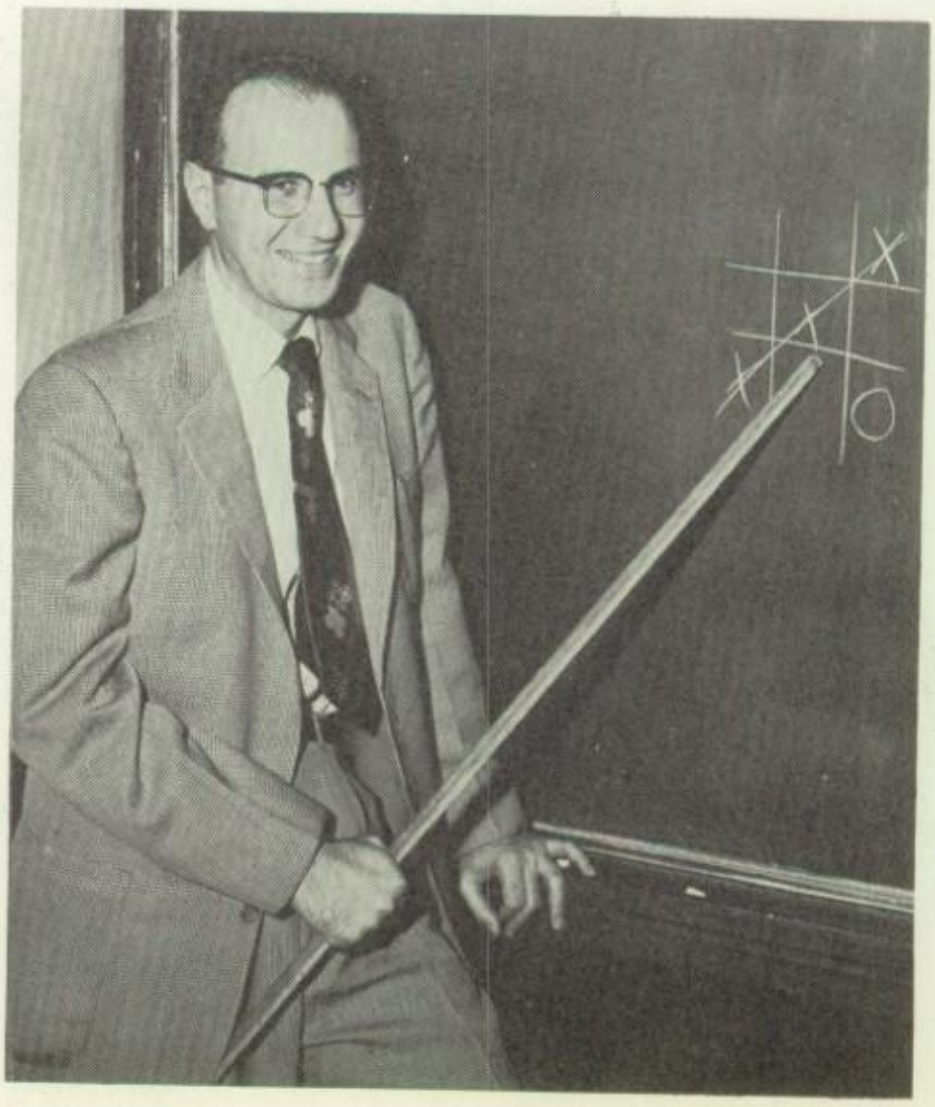
Quippus

Dedication

MR. MELVIN KLEIN

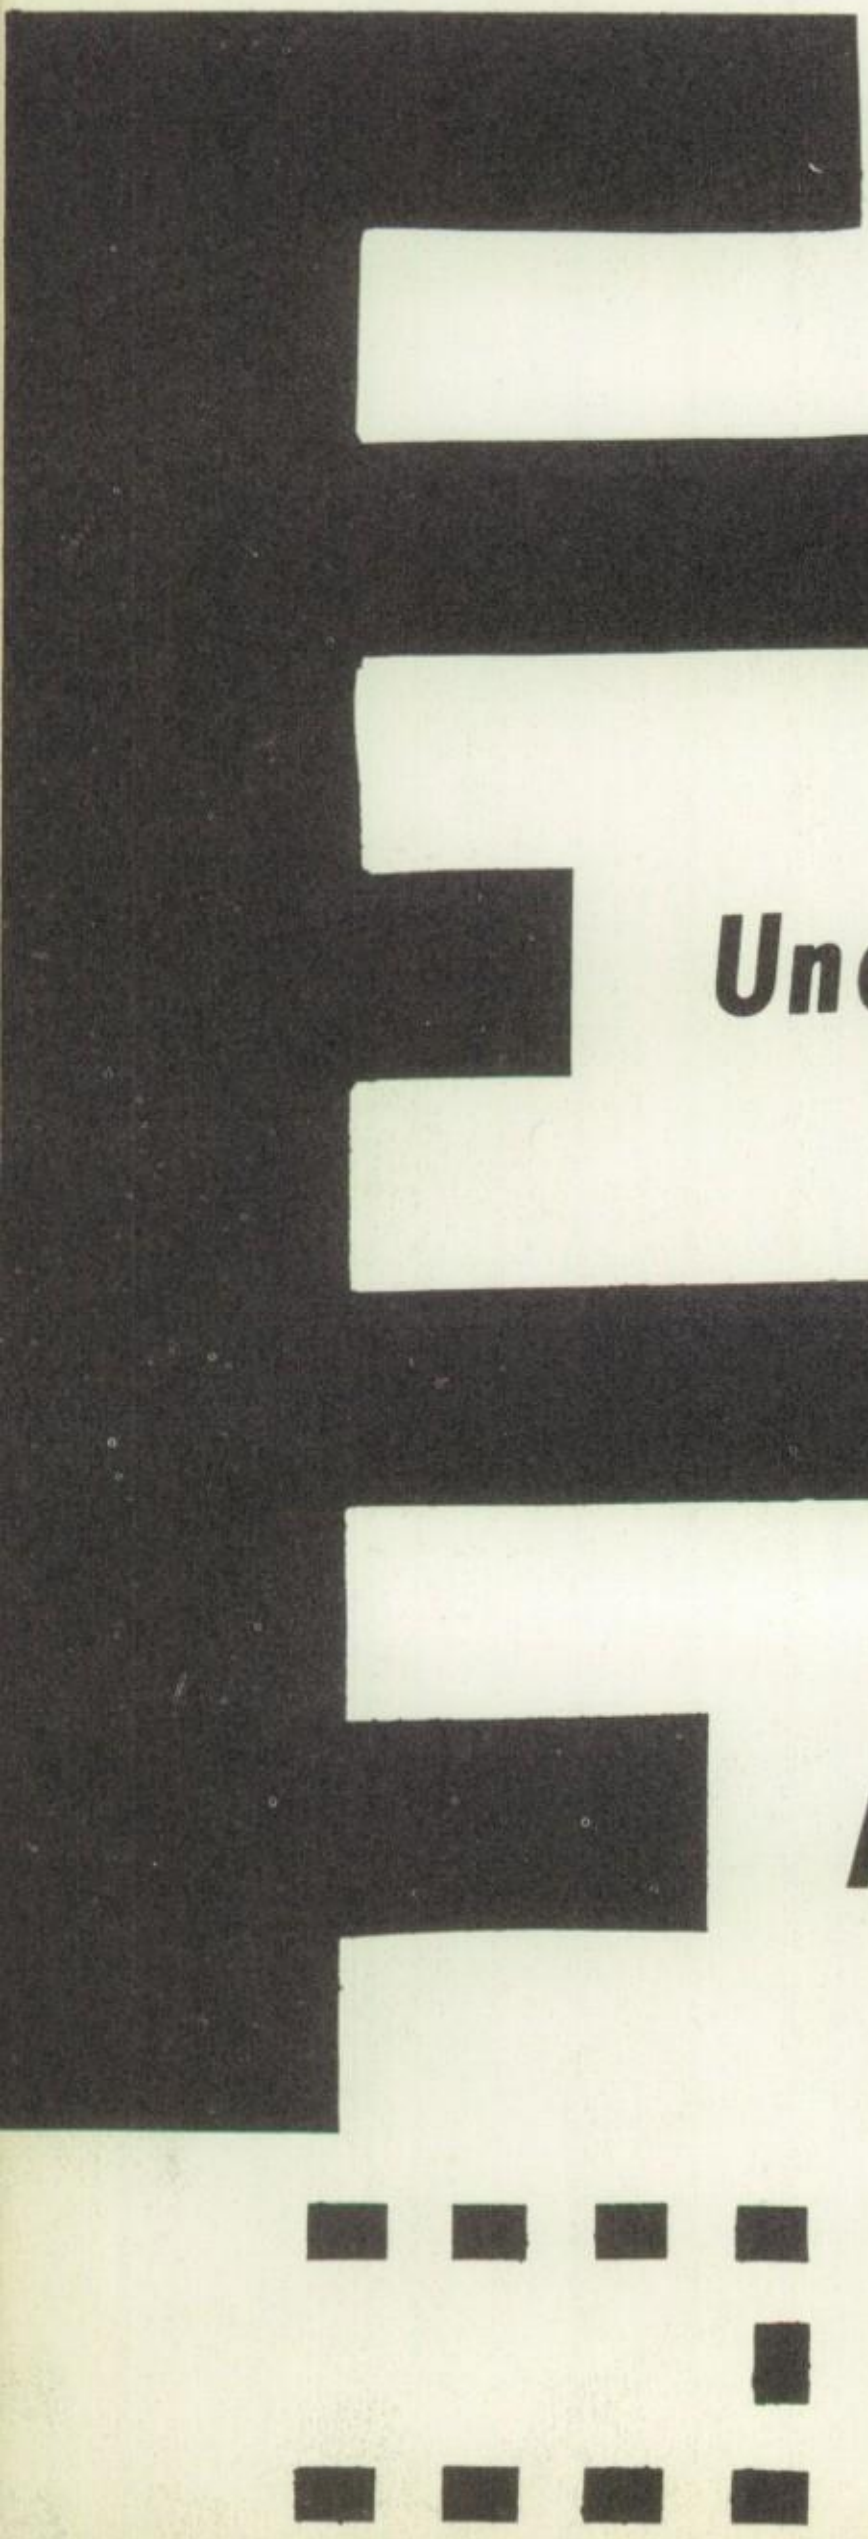
Since first coming to T.H.S. you have earned a place in the minds and hearts of all, students and teachers alike. In teaching advanced math, you have become a friend rather than just a teacher to the students who admire and respect you. Your unmatched sense of humor and sympathetic nature made what seemed major problems appear easy to solve. With careful guidance you have coached the basketball and tennis teams. We dedicate to you, Mr. Melvin Klein, this yearbook in appreciation of all the many things you have done for this graduating class of 1957.



Foreword

FOREWORD

As you leaf through the pages of the 1957 Quippus in the years to come you will find that the events of this year have been carefully captured and bound between the covers of this book for your pleasure. From the top rung of the system, the administration, down through the faculty, the seniors, the underclassmen, to the Junior High students, every activity and occurrence has been captured in pictorial and literary form to make the book. Of course, the various clubs and sports have been placed here too, for your satisfaction, reader of the "57" Quippus.



Administration

Mr. G. E. Engstrom
SUPERINTENDENT

MR. ENGSTROM

The pupils and teachers of THS, as well as residents of the community, regard Mr. Engstrom as a valuable asset to our school district. His decisions concerning the welfare of the students are very important and helpful.

Charles C. Stoops

Mr. C. C. Stoops
PRINCIPAL

MR. STOOPS

One of the most respected and dignified men in THS is Mr. C. C. Stoops, our capable principal. His never-ending concern over our problems begins at the moment we enter seventh grade and continues until graduation. Always helpful, he strives to assist the students in developing a sense of responsibility toward their education. His guidance and friendship are an incalculable asset to the school.

David P. Dodds

Mr. D. D. Dodds
ASSISTANT PRINCIPAL

MR. DODDS

Mr. Dodds, our competent assistant principal, is truly a master of many things. He is the capable leader of the Future Teachers and of the Award Committee, a teacher and student advisor. The pupils find him a sympathetic listener to their problems.

SENIOR CLASS

The class of 1957 has come to the end of a long, hard trip through twelve years of scholastic effort, athletic participation, and social activity. In our first six years we gained fundamental knowledge and formed solid friendships in our own grade schools. Then we were combined into a class, the class of 1957, when we entered Junior High School. In seventh and eighth grades we ironed out the difficulties caused by the new subjects, the variety of teachers, the large number of classmates, and our prejudices about the other two wards. In ninth grade we greeted the last large addition to our class and started to mold ourselves into a unified whole. We also chose the course we were to follow in our Sophomore, Junior, and Senior years. Our Sophomore and Junior years were spent pursuing that course and working toward graduation. Now in our Senior year, we look back over the past twelve years — all the work we struggled through, all the laughter that rang through our leisure, all the friendships that have developed. We are sorry to leave THS, yet, in a way we are glad to have a chance to put into practice the knowledge we have accumulated. We are sorry to leave our friends and teachers, yet, we are ready to form new friendships and relationships.

Appreciation

In recognition of her years of devoted service to the Tarentum School District, the 1957 Quippus staff dedicates this special page to Miss Jessie Lardin. We are sure that many stamp and coin collectors of T.H.S. will regret the leaving of this popular teacher; for her fund of knowledge in these two fields, her own huge personal subject collections and interest in all subjects has been of inestimable value to more graduates of T.H.S. than can be calculated.

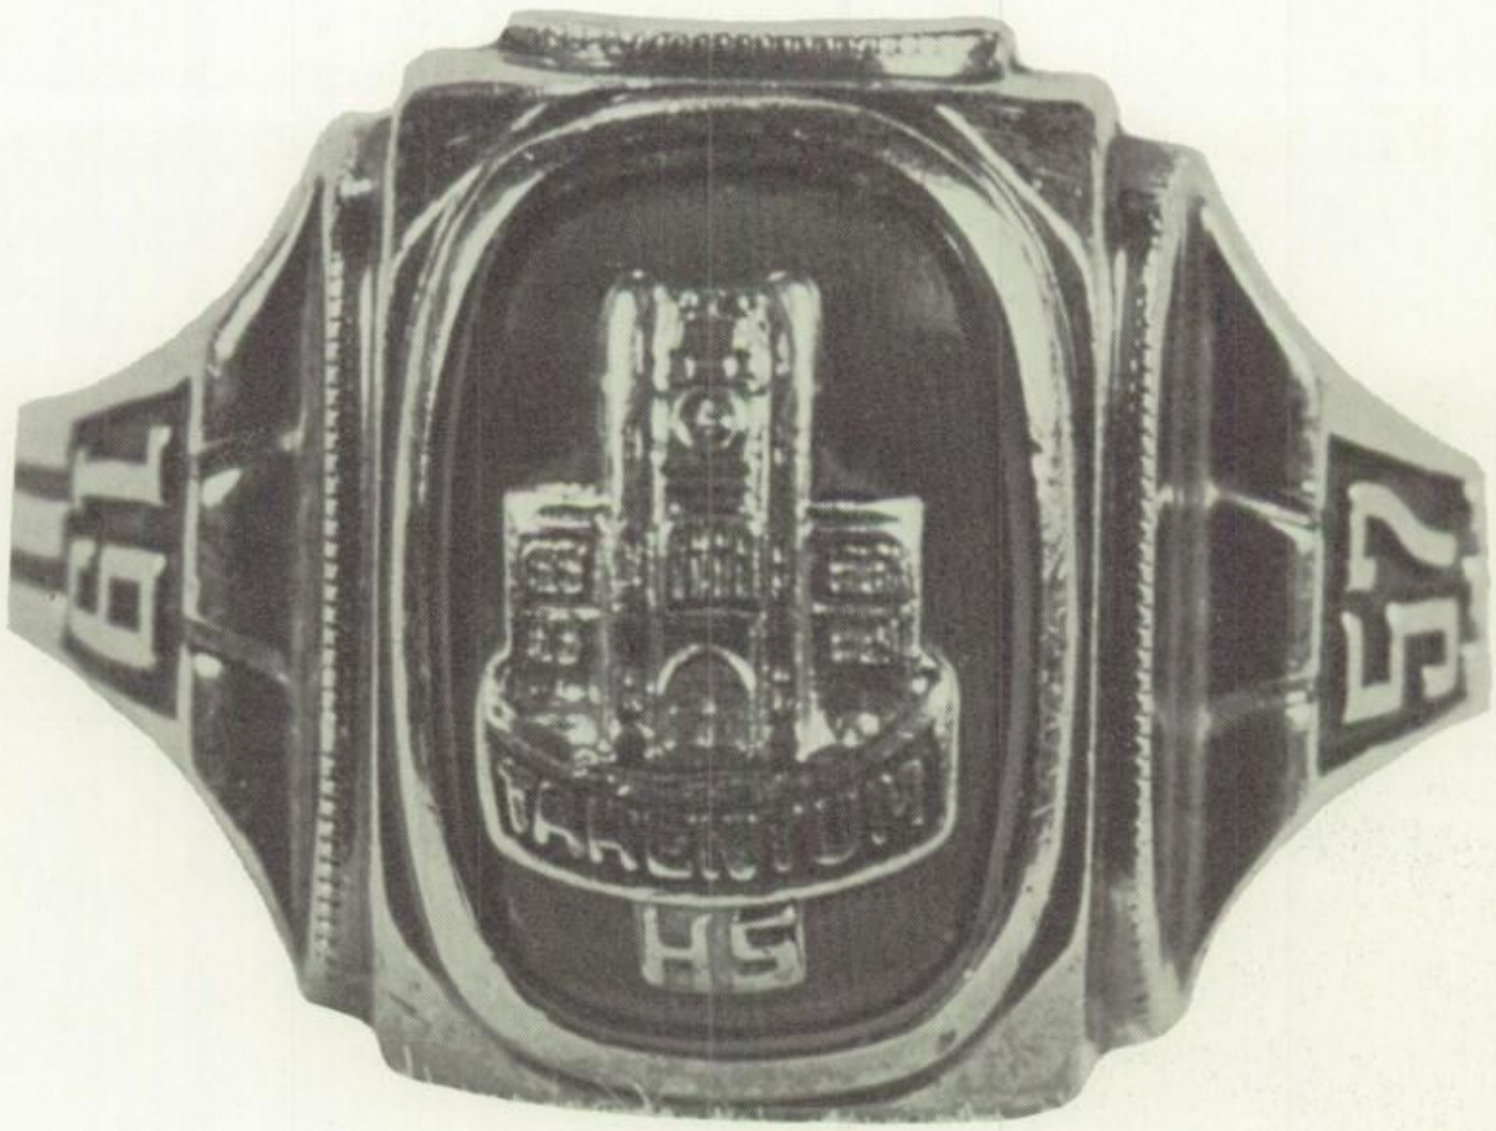
Activities



QUIPPUS

Behind the scenes of any publication are the staff members who plan pictures, write copy, and put the year book together. Sam took care of all pictures; Nancy was in charge of senior picture schedules; Judy made up schedules and planned for class and activity pictures; Joan, Nancy, Ann, Elaine, Sylvia, and Jean wrote the material; Jack and Al took care of the sports department; Elizabeth supervised the material and cut the copy; Sylvia, Jean, Joan, and Elaine were the typists of the material; and last but not least Georgeanne, Melvin and Mrs. Heid co-ordinated the activities. Working together, expressing ideas, and collecting their ideas and opinions, this is what our staff has done to present to you the 1957 Quippus.

These "big-wheels of the 1957 Quippus" met in the library to discuss some problems of their respective groups. Agnes, the business manager, and Georganne and Mel, the co-editors of the literary staff, organized their groups under the guiding hands of their sponsors.

The smiling face of the person who accepted your Quippus payment belonged to one of the industrious members of the 1957 Businss Staff. It may have seemed like an easy job to you, just collecting the dollar bills and writing receipts, but the most important tasks of this group are completely unknown to the majority of Tarentum's students. Along with managing the subscriptions to the year book, this group devotes itself to canvassing the community's business houses to raise the much needed money for the support of the Quippus, in addition to controlling the funds from other sources. The 1957 Quippus Business Staff and its sponsor are to be commended for the efficient manner in which they carry out their duties.

TARENTUMITE

Keeping all the wheels running smoothly and handing out assignments or suggestions are the jobs of "Tarentumite" editor, Gretchen Harrison. The sponsor, Miss Bark, edits the copy and acts as head advisor. The energetic circulation staff, headed by Wes Hetrick, this year managed to increase the number of subscriptions by the use of a vigorous advertising campaign.

Mimeographers and Typists
M. Nowikowski, S. Callen, Miss Zetz, B. Mack, E. Hoyet, M. Groszie-wicz, Miss Carlig.

"Keep your ears open." This is the standing order for all "Tarentumite" reporters, both Senior and Junior High. If a student is seen busily scratching on a piece of paper, he might be a reporter, jotting down ideas for the next issue instead of being a mere note writer. Next to listening, asking questions is the duty of all good staff members. Who, When, Why, and Where are active words in their vocabularies. Besides the news of the school, classroom antics, romantic interests, and club projects appear in each issue. After articles are written, turned in, and approved, the typists and mimeographers, with the aid of the Misses Zetz and Carlig, start on the enormous task of preparing a finished paper to distribute to the over four hundred subscribers.

Chorus

Mr. Schrall is the maestro for the chorus and his understanding of music and pupils are what make music so prominent in Tarentum High School. The quartet is chosen to entertain at festive events. The pianists are busy at practice and assemblies playing the music for our chorus and students.

Do-Re-Me-Fa-So-La-Ti-Do! This is our chorus with its many notes blending together to give us perfect harmony. They use the motto, "Practice makes perfect," and if you listen you can hear everything from "Oh, Holy Night" to "Hallelujah Chorus". The chorus sings for the annual festival, P.T.A. programs, and special holiday assemblies. They are the height of fashion in their maroon and white robes with their maestro, Mr. Schrall, in front of them. The accompaniment of the pianists and the large baby grand set off an exciting, musical scene. The Tarentum chorus and Mr. Schrall can be proud of the musical talents and productions which they give us.

Band

BAND

Busy, Busy, Busy, that's the word that describes the Tarentum High School's red and black-clad band. From August through June, it is one of the most active groups at T.H.S. Playing for football games in the fall, concerts in the winter and early spring, and commencement activities later in the year, this group is really busy. This year the band had the pleasure and honor of leading the parade for President Eisenhower in Pittsburgh. The band, which is directed by Mr. Schmitt, is an organization of which Tarentum students can be proud.

MAJORETTES AND COLOR GUARD

Two other hard-working groups at T.H.S. are the Majorettes and Color Guard. The Majorettes add color and glamour to our snappy band and with their clever dance and marching routines, they have pleased the students and populace of Tarentum many times. Another part of our marching unit of which we can be proud is the dressy Color Guard.

HI-Y'S AND TRI HI-Y'S

"To create, maintain, and extend Christian principles throughout our school and community"—

Did you ever hear that praiseworthy phrase before? Of course you have, and probably you have wondered to what organization it referred. It is the slogan of the Hi-Y's and Tri Hi-Y's all over the country. Without these organizations, good will among men would not spread so rapidly as it does. Many holidays are made more joyous for sick and needy persons because of the gifts they have received from these helpful service organizations.

STAGE CREW, PROJECTION CREW AND MAKE-UP CLUB

Can you picture the plays, pep meetings, and assemblies at T.H.S. with no lights, no microphones, no scenery, and no make-up? It's hard to do, isn't it? The stage crew boys and Mr. Bernabei build and paint the scenery that is used in the plays. The lights are set up by Mr. Kuhn and the boys in the projection crew. All the illusions that make-up is capable of producing are skillfully provided by Mrs. Foultz and the girls in the Make-Up Club. These people, providing audio-visual aids for all school productions, work together to add interest and reality to the various programs.

Three of Tarentum's little publicized, but active clubs, are the Key Club, the Sportsman's Club, and the Muzzle-Loading Rifle Club.

The Key Club, sponsored by the local Kiwanis Club of Tarentum and Mr. Nease, performs many laudable services. Members sponsor drives for needy families and work with the Salvation Army.

The Sportsman's Club is composed of a group of boys interested in hunting, fishing, and the outdoors in general. Together with Mr. Tippery, their sponsor, they spend many hours learning rules of conservation and good sportsmanship.

The Muzzle-Loading Rifle Club is a recently organized, but active group, and are unique in the fact that they are the only high school group of this type in the country. The members use guns of Civil War stock and actually fire them at local ranges. We agree that the accuracy is not perfect, but the sport proves relaxing and stimulating. The members, by the way, mold their own bullets.

THESPIAN TROUPE

Row 1—Mr. Watterson J. Cowen, J. Crosby
Row 2—R. Crabill, L. Myers
Row 3—C. Eberle, G. Harrison, W. Merchant

THS has many ways of training its students, but none prove as interesting and helpful as the Radio Club and Thespian Troupe. Under the helpful guidance of Miss Cole and Mr. Watterson, the members of these organizations learn correct speech and dramatic procedures. Radio Club members make daily announcements and lead daily devotions. The Thespian Troupe presents the Quippus play and Senior Class play.

Another activity which trains directly is the Student Activity Fund, under the leadership of Mr. Stewart. This group gains actual bookkeeping practice by taking care of the money belonging to individual clubs and classes.

Library Assistants, Modern Music Appreciation Clubs

Literature and music are two forms of Liberal Arts that go hand in hand. Representing the literature form of Liberal Arts are the Library Assistants. These busy-bees at THS are very helpful to the other students. They paste cards in books, mend, and, of course, supply answers to "Do you know any good mystery books?", "Where can I find author information," and many other questions.

The M.M.A.C. is the musical side of the Liberal Arts. A group of students, under the leadership of Mr. Melvin Klein, organized this club so they can learn to understand music better, whether it be jazz or popular. The members have a worthwhile collection of records, and sometime during the school year they present a program to the student body.

7th and 9th Grade Home Ec Clubs, Safe Drivers' Club

Stop! Look! Listen! Think!
Nothing to eat! Nothing to wear! No way to get there!

Those would be the cries you would hear from the students if there were no Home Ec or Drivers' Clubs in Tarentum High. Home Ec Clubs are either baking goodies, making garments which will be worn proudly, or learning the art of decorating tables attractively. Clothing, food, decoration problems are solved.

Drivers' Club members learn good driving habits and, when permitted the use of the family chariot, (for that extra special occasion) they need no chauffeur.

SENIOR SECRETARIES, MAGISTER CLUB

Senior Secretaries! Don't you teachers appreciate this wonderful group? With the guidance of the Misses Carlig and Zetz, girls in the Senior Commercial Classes are assigned teachers for whom they type and mimeograph material in order to gain experience for the business world when they later obtain their own jobs.

Another club closely related to Senior Secretaries, in that it gives experience, is the Magister Club. This club is better known as The Future Teachers of America and was organized and continues to be directed by Mr. Dodds. FTA members as a project this year are learning to operate the movie projectors. These future teachers at times supervise study halls and classes, and each year they set aside a day of recognition for the teachers on St. Valentine's Day.

COIN, STAMP, AND PHOTOGRAPHY CLUBS

Do you need constructive leisure-time activities? Three of the THS clubs provide such activities for serious-minded students who are interested in coins, stamps, and photography. Magazine reading in these clubs is not only permitted—it is required! The trade magazines are great helps for the budding philatelist or numismatic fan, to say nothing of the photographer. During Photography Club meetings, the members discuss the methods of picture-taking, developing, cropping, and posing. Stamp and coin collectors are shown the intricacies of their hobbies by Miss Lardin, who is an ardent collector herself. With all the emphasis on hobbies and constructive leisure-time use, these clubs help direct energy to worthwhile projects that can lead to a life-time avocation.

Junior Classical League I

JUNIOR CLASSICAL LEAGUE

The Latin Clubs, under the supervision of Miss Toepfer, are composed of freshman and sophomore students studying the Latin language. In addition to considering derivative study and plays on Roman themes, these students spend some time in preparation for their annual Christmas carol sing, when they entertain invalids and shut-ins. At times during the year, movies of Rome and other countries important to Roman history, are shown. Miss Toepfer, having been in Rome, is able to give a first-hand account of the country, people, and customs. Roman mythology and age-old legends of Rome are studied so thoroughly they seem almost real. All Latin groups attend the annual Latin Festival at the Buhl Planetorium and usually conclude the year's activities with a banquet at the Y.M.C.A.

Sportsmanship and the better development of their bodies motivate the members of the Gym Club as they strive throughout the year to become more nearly perfect in their gymnastic skills. Under the direction of their sponsor, Mr. Warriner, these boys share a great fellowship while performing the drills and exercises in the gym. Many hours are enjoyably spent on the parallel bars, mats, cross bar, ropes, and rings. Both the Junior High and Senior High clubs function to produce better men.

Perhaps you have heard as you stroll through the halls, "Qu'est-ce que c'est?" Don't be alarmed! That's the Frenchmen of THS with their famous saying, "What's that?" If you passed Mademoiselle Dipner's room you might have seen anything from real, down-to-earth studying to a fashion show put on by some of the French students. Don't be alarmed at this either. It is French Club day with an appointed committee in charge of the program—singing French songs, conversing, or even learning French grammar as they "learn by doing." In their leisure time at home they sit down and write a few lines to their French "pen pals." This is a picture of the life of the THS Frenchmen at school and at home.

The members of the Teen-Age-Book Club are also guided by their sponsor, Mrs. Rose, in obtaining good reading habits. Among their many projects were the National Book Week displays and the contribution of books to the club for the use of members.

Quippus Play

QUIPPUS PLAY

On November 16, 1956, the public viewed "Dr. Hudson's Secret Journal", this year's presentation of the annual Quippus play. Dr. Hudson, a young overworked doctor, attempted to rear a teen-age daughter successfully and to expand the local hospital. Mr. Warner, a hard-hearted businessman, owned the property on which an addition to the hospital had to be built. His daughter, Barbara, took a job in the hospital under an assumed name and fell in love with Joel, an assistant to Dr. Hudson. The plot becomes more complicated when Joyce, Dr. Hudson's

daughter, had a serious head injury requiring brain surgery. Through his great faith in God, Dr. Hudson, although not a brain surgeon, performed the delicate surgery saving his daughter; he also expanded the hospital by making friends with Mr. Warner.

The cast, directed by the able Mr. Watterson, did an excellent job of interpreting and performing. Outstanding in the play were Robert Hill as Dr. Hudson; Lonna Myers, nurse; Dorothy Kolen, Barbara; Irving Shore, Joel; and Robert Koh, Tim.

8-WINS 1-TIE 1-LOSS

Varsity Football

This year Tarentum's football team entered the season with a very good start and maintained a fine record through the entire season. As a result, Tarentum High placed second in Class A. With such an excellent start as the Edfra victory a determination to win captured the team; the Freeport loss, however, proved a necessary spur to this spirit of determination. Evidence of this was displayed in the score of the Arnold game; our boys fought a hard, rough game and held our neighbors to a 6-6 tie.

Fans at Tarentum's games witnessed a series of exciting plays that we call spectaculars—Morrison's intercepting a pass in the Edfra game, Sieja's catching a touchdown pass during the West Deer game, and our winning the Vandergrift game on a safety.

In review of the victorious season we report an 8-1-1 record. Congratulations to our fine coaching staff and to the entire team on a job well done.

The sparkplugs of Junior Varsity in action.

For the first time in eight years Tarentum scheduled Junior Varsity games, after dropping a successful Junior High program. Under the head coach, Mr. Bernabei, and the assistant coach, Mr. Clark, the J.V.'s posted an enviable record of 6 wins and 1 loss. The Jays amassed 103 points for and had 47 against to give next year's varsity good replacement. Some of this year's stand-outs were Rich Bohart, Joe Kesillica, Dave Thompson, Lou Fenoglietto, and Bill Kemp.

VARSITY BASKETBALL

Congratulations Champs!

Under the careful coaching of Mr. Klein, the Tarentum High School basketballers copped the Section XII A title for the third consecutive year. After a poor exhibition of two wins and nine losses, they perked up with section victories over Leechburg, Plum, West Deer, and Springdale. They had gained first place but had to relinquish it to Freeport following defeats by Freeport and by Springdale. After wins over Freeport on the home floor and at a play-off at Arnold, Tarentum earned its third straight title and traveled to Pitt fieldhouse for the Class A WPIAL play-offs. They were eliminated in their first game by the fast playing Red Raiders from Uniontown in a nip-and-tuck game by the score of 59 to 52. Although senior standouts Harry Swaney, Jack Sadecky, and John Seija along with John Kuhn and Marlin Moser are leaving, we look for good things from next year's Redcats also. This year's Redcats ended the season with an overall record of 12 wins and 12 losses.

Under the coaching of the able Mr. Clements, our Junior Varsity team furthered the development of the fundamentals begun in Junior High basketball. Playing a tough schedule the Jays were not as successful as the varsity and posted a record of 6 wins and 16 losses. Despite their unimpressive record the Jays played good ball and have a lot of good replacement material for future varsity teams.

Emphasis is not placed on individual achievement or winning games but rather on the fundamentals of the game and co-operative team work. Despite the small amount of practice time available and a limited schedule the Junior High team posted a record of 7 wins and 8 losses.

TENNIS

Tennis is another field in which T.H.S. excels. Last year, 1956, saw us take second place in W.P.I.A.L. play by winning four out of a total of six games played. Our main strength was in the person of Chuck Hazlett, very ably assisted by Harry Swaney and Jim Capellman. Chuck and Harry entered the W.P.I.A.L. doubles tournament and gave a good account of themselves, even at Mount Lebanon where they were defeated.

This year finds the team with several experienced players, Harry Swaney, Jim Capellman, and Jerry Persun, plus two promising Juniors, Blair Dodds and Irv Shore. Our coach, Mr. Klein, is looking forward to a very successful season, and with this group of boys, 1957 should be another encouraging year.

Baseball

Mr. Tippery's baseball team was another one of our athletic groups that had a good season last year, 1956. The early part of the season saw Rich Stanczak and Jack Sadecky doing an excellent job in the batting department. As the season developed, Lou Marmo and Jack Sadecky became our heavy hitters. Val Durkac helped to round out this squad by his excellent pitching; he even had a shut out when we played East Deer, 5-0. The record showed that we ended the season with a slate of five wins and five losses which was fairly good. By the time this appears in print, the 1957 baseball season for THS will have been completed, and we hope with success.

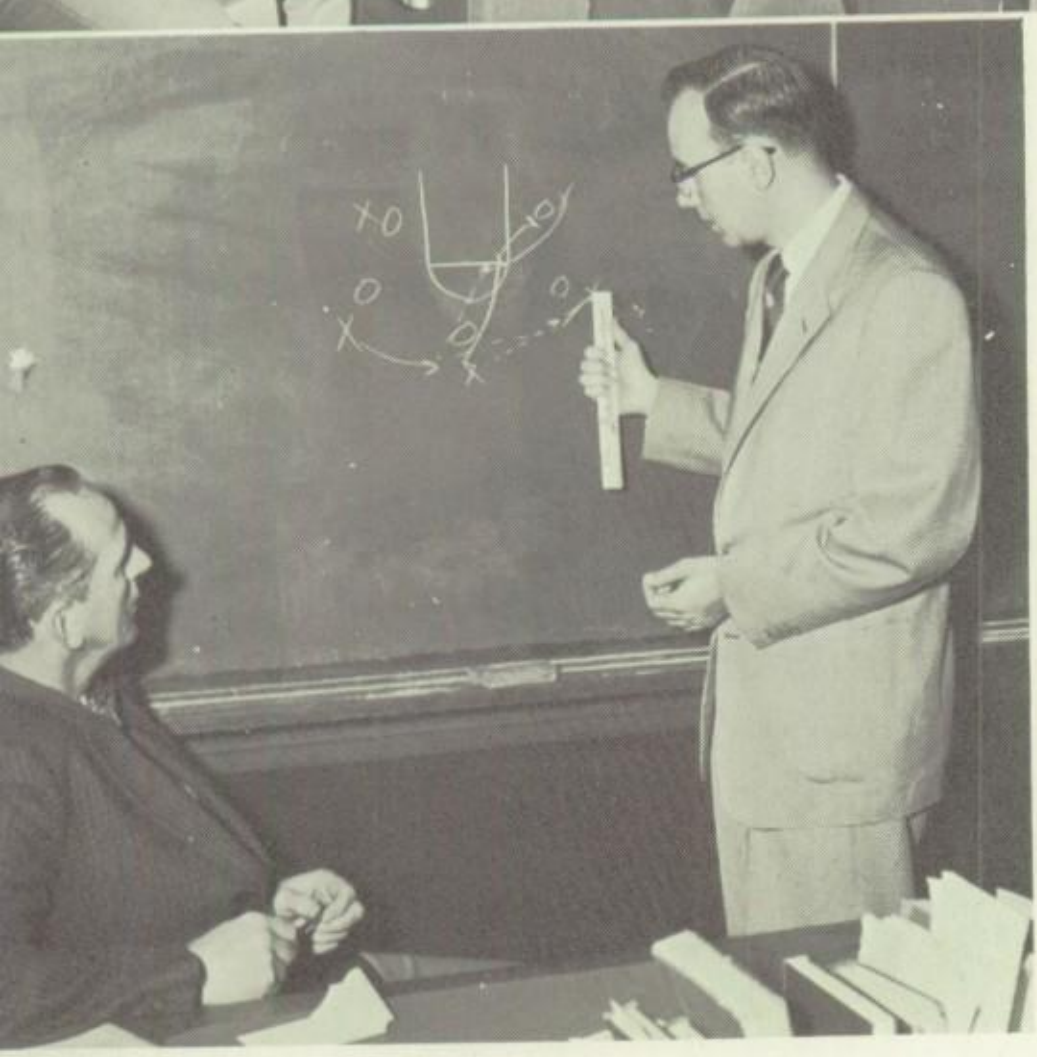
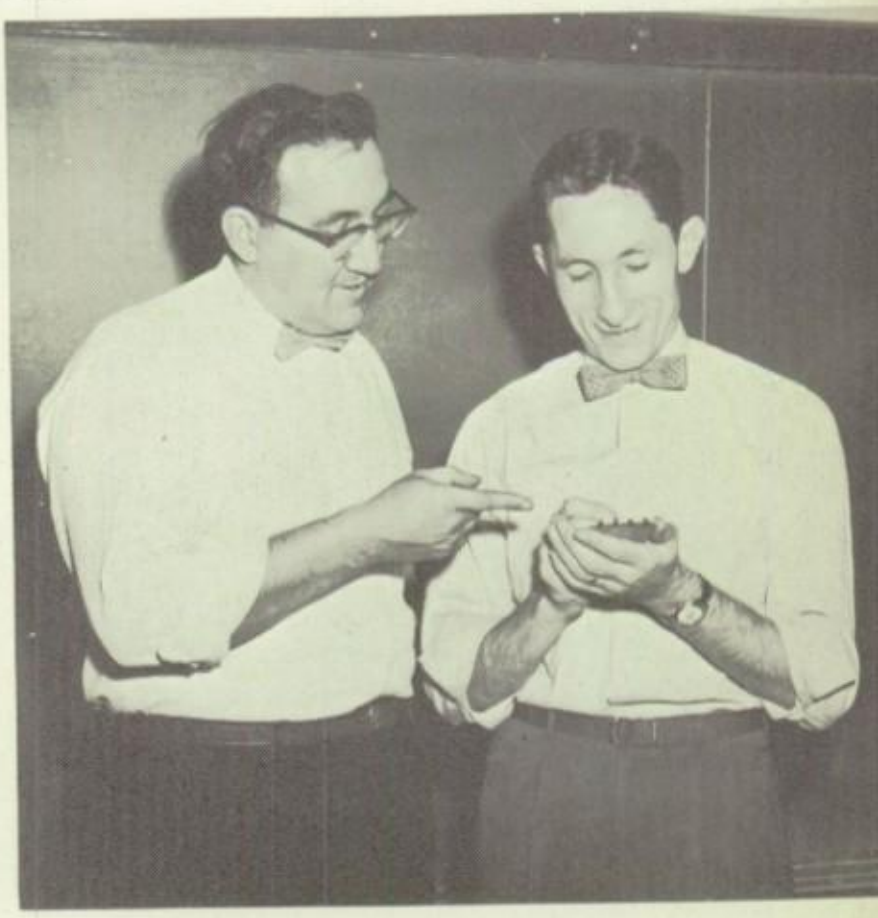
T. H. S. Coaching Staff

Mr. Warriner, Mr. Friend and Mr. Bertolet talk over tonight's strategy.

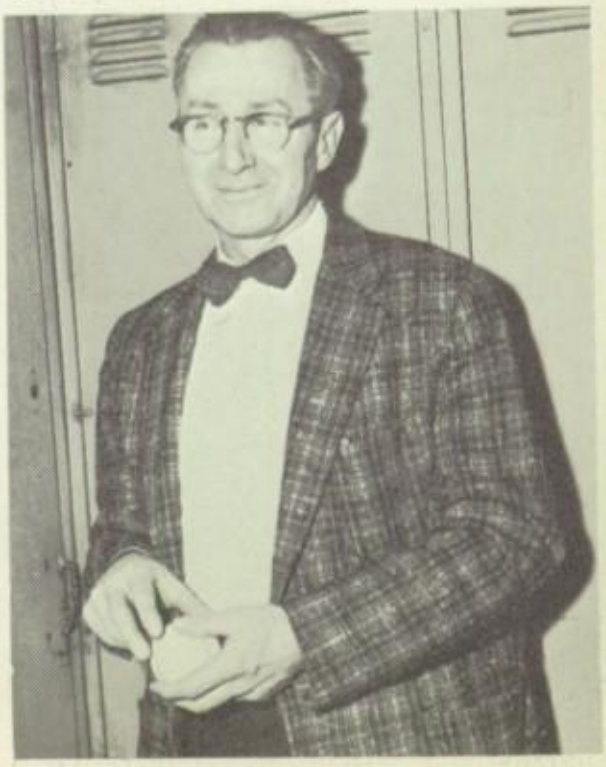


Mr. Clements and Mr. Klein work on a new play.

Mr. Clark and Mr. Bernabei making notes for future reference.



Mr. Tippery looking forward to next year.



These men directed and coached our athletes to become sportsmen and good players. The first of this year found Mr. Warriner, Mr. Bertolet, and Mr. Friend hard at work putting our varsity football team in condition for the season. This past fall also found Mr. Clark and Mr. Bernabei teaching the athletes from ninth and tenth grades the fundamentals of football and acquainting them with the rules. The next sport was basketball coached by three very capable gentlemen, Mr. Klein, Varsity; Mr. Clements, Junior Varsity; and Mr. Warriner, Junior High. With basketball over, spring had arrived and baseball was in full swing all over the nation. Here at T.H.S. Mr. Tippery was the man responsible for coaching the baseball team. At the same time Mr. Klein worked with and prepared the tennis team for the circuit. These were the men responsible for instructing and helping our teams — these were the coaches at T.H.S. in 1956-1957.

INTRODUCTION TO SCHOOL LIFE

On the following pages you will find pictured some of the ordinary happenings which occur at THS during the entire school year. You are going to be surprised and delighted at the variety of things which are a part of our school life. At times they may seem commonplace and dull, but what would school be like without them? As you look through the pages of "School Life", fond memories will be recalled.

Some of the pictures will make you laugh while others may bring a tear. You will see our teachers engaged in conversations in the office, classroom scenes with the students earnestly working on their assignments, candids of your friends, classmates, or maybe even yourself doing a number of everyday things. The "School Life" section is an addition to the Quippus this year and we, the staff of the 1957 Quippus, hope you find it enjoyable.

It must be Friday.
